

“We are here for you”

Patients, carers, volunteers and hospice staff work in partnership to improve and develop services for you.

We value your views; hearing your personal experience of hospice services helps us improve what we offer.

The partnership group meets every other month on Thursdays.

If you would like to share your views, or be involved we would be delighted to hear from you.

Your ideas could make a difference.

If you would like more information about the partnership group email the chairperson at usergroupchair@stelizabethhospice.org.uk
